Message to Putnam County Residents

The Mental Health, Alcohol & Drug Addiction Recovery Board of Putnam County is statutorily empowered to establish, to the extent resources are available, a community support system, which provides for prevention, support and rehabilitation services and opportunities. Essential elements of the system include, but are not limited to: addiction and mental health services, emergency and crisis intervention, vocational services, family consultation, etc.

Through the development of a local system of care, the Board ensures that individuals with mental health illness and/or addiction receive the services and support they need to achieve recovery.

Local Needs, Local Decision, Local Boards: As we present to the residents of Putnam County our FY 2016 Annual Report. Our sincere thanks to all of our service providers and social service agencies for working collaboratively to provide a healthy and safe community for all of us.

Mission Statement

The commitment of the Mental Health, Alcohol & Drug Addiction Recovery Board of Putnam County (ADAMHS) in partnership with providers, other social service organizations, the community, and our families is to provide necessary behavioral health care services. The residents of Putnam County believe in and promote strong family ties. We believe our future is dependent upon the well-being of our families. As these needs are effectively met, individuals and families will develop to their fullest potential, and the community will build on the renewed strengths of the residents.

Vision Statement

Ohioans believe in their families, children, and communities. The best hope for the future is the well-being of Ohio's families. Ohio will be a place where families can build their heritage and culture, and feel secure in the present as well as reach for the future. Families will accept responsibility for meeting their needs. Ohioans will develop to their full potential and communities will support and build upon the strengths of their residents. The Mental Health, Alcohol & Drug Addiction Recovery Board of Putnam County strives toward this vision at the local level.

Culture of Quality (COQ)

The Ohio Association of County Behavioral Health Authorities (OACBHA) awarded Board Certification to The Mental Health, Alcohol & Drug Addiction Recovery Board of Putnam County. This is the highest level of certification that a local behavioral health Board can receive. The independent association of county alcohol, drug addiction, and mental health boards provides three-year certifications to Boards that can demonstrate compliance with over 140 standards.

OACBHA awards certification to Boards that demonstrate substantial fulfillment of its standards. These standards include compliance to Medicaid rules, risk management and insurance, health and safety, human resources, mission and program, governance, finance and operations, continuous quality improvement, and ethics.

Board Members

A diverse group mandated to plan for, contract, monitor and evaluate services in the community. The volunteer Board is comprised of Putnam County residents who are appointed by the Ohio Department of Mental Health & Addiction Services and Putnam County Commissioners. Monthly Meetings of the Board are held at 12pm on the first Friday of the month at Henry's Restaurant. (excluding January and July)
